

Alfons Håkans becomes title sponsor for legendary Hanko

Alfons Håkans has signed a five-year long title sponsorship of the annual Hanko Regatta in the most southern tip of Finland. The first Hanko Regatta hosted by the local yacht club, Hangö Segelförening (HSF), took place in 1910. The very early idea of Hanko Regatta originates from the summer meetings of Helsinki and Turku based yacht owners, who came halfway to meet and race each other already in the 1870's.
